

Christ Church

Opening the Doors: In-Person Worship

Christ Church is excited to begin a gradual Phase I reopening (worship only). The service will continue to be streamed through Zoom and FB Live. We will limit the number of participants at one service ([pre-registration required](#)).

The leadership is insuring the following safety precautions are in place:

- Phase I reopening will begin with a **Worship Service only**. (Specific Children's worship and nursery will not be provided.)
- **Pre-Registration** is required to assist with safe social distancing practices and state-mandated room capacity. Email: office@christchurchlex.com **by noon on Saturday**.

When registering, you must give your name and the number attending with you. The CDC specifies persons in the [low risk group](#) are under the age of 65, with no preexisting serious health condition or compromised immune system. In-person worshipping would need to exclude anyone exposed to a confirmed case within the last 14 days or exhibiting symptoms; go [here](#) for a symptoms list.

- **Social distancing** will be implemented:
 - "Entering/Existing" with greeters' instructions
 - Chairs will be arranged in family/individual groups set six feet apart
- **Masks will be required** for everyone attending over the age of six years old. Each worshiper is strongly encouraged to bring a personal mask. (Go [here](#) for a guide to helping your child wear a mask.)
- **Sanitizing Stations** will be provided when entering and exiting the building.
- **No common area** gathering spaces will be available. (Beverages or food will not be served.)
- **Use of Restrooms** will be restricted to emergency use only.
- Facility will be thoroughly **cleaned and sanitized** before each service.

Christ Church is acting on procedures and guidance recommended from *Safe at Work*, Team Kentucky Governor's Office and KUMC's COVID-19 Reentry Task Force. Click [here](#) (for Task Force statement) and [here](#) (guidelines for worship) for information that informed our re-opening process. Click [here](#) for general information on the COVID-19 virus. If you have any questions, feel free to contact office@christchurchlex.com.
